

## Getting Here - Cambridge River Tours

To check in for your punt tour, please make your way to Quayside, Cambridge, near Magdalen Bridge, Bridge Street. Our duty manager will greet you at the 'ice-cream-vendor' style kiosk next to the river. If you have any trouble finding them, give them a call on the mobile phone number on your booking confirmation.

At Quayside, you'll also have access to public toilets for a comfort break – your last chance to go for the next hour or so!

Our punt tours leave from the punt station adjacent to the 'La Mimosa' Italian restaurant. It's a short stroll along the boardwalk from Quayside, towards Jesus Green, and a lovely quiet spot.

The closest car park is just a few minutes' walk away at **Park Street (CB5 8AS)**. You can check online for an up-to-date status of how many spaces they have:

There are regular buses from the railway station and the nearest bus stop is **Bridge Street**.
